Each of our products embodies the love that our family has for tradition and Italian food. We have been celebrating the joy that comes from being gathered together around the table for over 80 years, with simple products and delicious recipes, made using our expertise to delight and excite our consumers all over the world.

Vice-President F.lli Saclà S.p.A.

Chiara Ercole

BRAND VALUES

✦ ITALIAN SPIRIT

Being passionate, warm and enjoying what we do

✦ CREATIVE

Inventive and imaginative. We are always aiming to be food pioneers

✦ REAL

Reliable, down-to earth and authentic

✦ RESPECTFUL

Honest and fair to our consumers, clients and the environment

Saclà was founded in Asti, Piedmont, northern Italy, more than 80 years ago. Today the company is still passionately run by the same family of food lovers dedicated to making authentic contemporary Italian food.

Saclà uses only the finest selected ingredients and, not surprisingly, all of our products are made in Italy.

We make our sauces with respect for the next generations: we have installed more than five thousand square metres of solar panels in our historic factory in Italy, producing enough power to run a complete production line.

OUR PHILOSOPHY

- ✦ EXCELLENCE IN PRODUCTION
- ✦ CERTIFIED QUALITY SYSTEM
- ✦ DYNAMIC R&D
- ✦ ADVANCED TECHNOLOGY IN PACKAGING
- ✦ HIGH FLEXIBILITY

OUR PLUS

- ✦ AUTHENTIC ITALIAN RECIPES
- ✦ CERTIFIED TRACEABILITY SYSTEM
- ✦ NO PRESERVATIVES AND NO COLOURINGS ADDED
- ✦ SUITABLE FOR COELIACS
- ✦ GMO FREE
- ✦ MADE RESPECTING THE ENVIRONMENT
- ✦ WIDE RANGE OF ORGANIC AND VEGAN PRODUCTS

CERTIFICATIONS / CONTROLS / ENVIRONMENT

A CERTIFIED QUALITY

*We have achieved the highest international standards and accreditations
for food safety, traceability, environmental management,
and use of organic ingredients.*

- BRC Global Standard for Food Safety (since 2001) grade AA+
- IFS International Food Standard (since 2009) 97,79% higher level
- SEDEx registration and audit (since 2003)
- UNI EN ISO 14001:2015 Environmental Management Systems Certification (since 2009)
- REG. CE 1221/ 2009 EMAS European eco-Management and Audit Scheme (since 2011)
- REG. CE 848/ 2018 on Organic production and labeling of organic products (since 1999)
- REG. CE 828/ 2014 on the requirements for the provision of information to consumers on the absence or reduced presence of gluten in food (since 2001)
- NON GMO Project certification (since 2016)
- HALAL AUTHORIZATION (since 2014)
- VEGANOK CERTIFICATION (since 2013)
- V-LABEL CERTIFICATION (since 2014)

*Our dedicated Quality Assurance team carries out
more than 60 physical, chemical, and organoleptic control checks throughout
the preparation of all our products, from the raw materials to the finished product.*

*Reduction of emissions, use of renewable energies with over 5000 sq.m
of solar panels and optimised recycling are some of the things which
make us proud. Thanks to our constant commitment we have obtained
UNI EN ISO 14001:2015 certification
for our Environmental Management Systems.*

***Everything we do today
is done with care for the future.***

PESTO

Our Pesto range is inspired by the best Italian food and features top ingredients. To create our delicious pesto recipes, we take inspiration from different regions across our homeland, from the coast to the countryside. Top-quality ingredients are a must – whether that's a specific variety of red pepper, the juiciest olives from ancient branches, or basil grown in the perfect location.

**WITH MORE THAN 1200 SKUS, SACLÀ HAS VALUABLE KNOW-HOW AND EXPERIENCE
IN AREAS OF SPECIALISATION THAT VARY WIDELY.**

Every year our Research & Development team creates hundreds of recipes in line with the requests of both buyers and consumers in different categories all over the world.

Our production lines are flexible and can be adapted to allow high speed, semi-artisanal and even hand-operated production. That flexibility extends to the variety of packaging: we can produce in several materials (glass, plastic, metal) and sizes (according to retail, food service and industrial needs).

The products in our portfolio include:

- ✦ PESTO AND PASTA SAUCES
- ✦ VEGETABLES IN OIL (OVEN BAKED TOMATOES, BORETTANE ONIONS, GRILLED VEGETABLES...)
- ✦ VEGETABLES IN WINE VINEGAR (ONIONS, GHERKINS, CAPERS...)
- ✦ VEGETABLE TAPENADES (BLACK/GREEN OLIVES, SUNDRIED TOMATOES, ARTICHOKE...)
- ✦ FRUIT SPREADS (IN SQUEEZY JAR OR GLASS JAR)
- ✦ FOOD SERVICE PRODUCTS

We work with the main retailers around the world producing under their own brand.

THE NEW SITE OF CASTELLO DI ANNONE (ASTI)

26 500m² of covered space

1 600m² of solar panels (324 kW)

Today it is our main warehouse with 16 200 pallet spaces (13 200 ambient, 1 700 chilled, 1 300 frozen) and we have already installed one production line (including labelling).

In the next years we'll continue the development of the site with the building of additional 26 500m² of covered space and the transferring of all the production and labeling lines.
